## ACKNOWLEDGEMENT OF POLICIES AND NOTICE OF PRIVACY PRACTICES

**ATTENDANCE POLICY:** Since this time is reserved for you and your child, attendance is very important. We understand that illness, medical appointments, travel, and life circumstances create valid reasons for missed appointments; however, we cannot hold recurring appointment times for families who are frequently absent. Please keep the following in mind:

In order to keep the appointment time reserved for you and your child, you must maintain good attendance. We would appreciate at least 24 hours' notice if you are going to miss an appointment. **We require at least 4 hours' notice in advance of missed appointments.** We also ask that you attend at least 75% of your scheduled appointments. Appointments that are missed without calling at least 4 hours prior to your appointment or an attendance rate under 75% will result in the rest of your appointments being cancelled.

Thank you for your consideration with regards to appointment attendance.

**ASSIGNMENT OF INSURANCE BENEFITS & FINANCIAL AGREEMENT:** In order to bill your insurance, all children need a doctor's prescription and insurance authorization prior to their first appointment. Our billing department will work to obtain this information and will contact you with any questions or concerns. We encourage you to contact your insurance company to understand your individual benefits. If you have a co-pay, it will be due at the time of your appointment. Please be sure to inform us of any changes in your insurance plan so that we can continue to bill your insurance appropriately. If you fail to give us prior notice of any change of insurance coverage you will be held responsible for any charges accrued.

**NOTICE OF PATIENT PRIVACY PRACTICES:** Children's Therapy Center's Notice of Patient Privacy Practices describes how your medical information may be used and disclosed, and how you can get access to this information. Please review this information. CTC reserves the right to update its practices regarding the protected health information that it maintains. You may request a copy of CTC's Notice of Patient Privacy Practices at any of our locations, or online at [www.ctckids.org](http://www.ctckids.org).
