If your primary care is through SeaMar talk to your child's primary doctor to see if they are eligible for an internal Sea Mar referral. If this does not work please talk to your child's CTC team about contacting Christina Pease, Heather Buzbee and Holly Brezynski directly

If your primary care is through Healthpoint or Kaiser you can discuss with your child's PCP/pediatrician any internal options.

The Center for Family and Lifespan Development.

Only their Seattle clinic provides autism evaluations.
